Grace Greater Than Our Sin

Julia H. Johnston, 1911

Ionian Mode (1−5−5)

---

1. Marvelous grace of our loving Lord,
   Grace that exceeds our sin and our guilt!
   Grace greater, yes, grace, grace, God’s grace,
   Grace that will pardon and receive?

2. Sin and despair, like the sea waves cold,
   Threaten the soul with infinite loss;
   Grace untold, Points to the refuge, the mighty cross.
   Grace, grace, God’s grace,

3. Dark is the stain that we cannot hide.
   What can a vail to wash it away?
   Brighter than snow you may be to see His face,
   Grace, grace, God’s grace,

4. Marvelous, infinite, matchless grace,
   Free to be poured where the blood of the Lamb was spilled.
   There where the blood of the Lamb was spilled.
   Grace that will pardon and receive?

---

Chorus

Grace, grace, God’s grace, Grace that will pardon and receive?
cleanse within; Grace, grace, God's Grace,
