Harvest Moon Arising

Word and lyrics by Mark Horning and Theron Quist August 21st, 2008

Harvest Moon arising
Up over the farm
Crops have all been gathered
The cow's in the barn
Resting on the porch swing
As evening draws nigh
Sitting with my sweetheart
The earth gently sighs

Chorus

*We have everything that anyone
Could want or desire
Nothing life could add
Would make our life
More complete*

Harvest moon is calling
To us from above
We are quite contented
Our hearts filled with love
Silently we sit hand in hand
For awhile
Gentle our embrace as we
Both share a smile

Chorus

Harvest Moon is smiling from
High in the sky
Wrapped up in the moonlight
We sit side by side
In the evening stillness
The coo of a dove
Harvest moon is watching
Two people in love
