Cheeks as red as a blooming rose
Eyes the darkest brown
She's the darling of my heart
Sweets little thing around

(p = pull off)
(h = hammer on)

Went to see my little Shady Grove
Standing in the door
Shoes and socks in her hand
Little bare feet on the floor

When I was a little bitty boy
I wanted me a Barlow knife
Now I want little Shady Grove
I want her to be my wife

You got peaches in the summer time
Apples in the fall
If I can't have the girl I love
I won't have none at all

Have you seen the mournful dove
Flying from pine to pine
He's mourning for his one true love
Like I mourn for mine
